

11 December 2009

This is to certify that:

SekChek's Microsoft ISA 2006 SP1 Server has been audited by Netsurit on the 11th December 2009.

As per conclusion in our report, it is our finding that the SekChek network has been adequately secured from external attacks using the rules on the ISA firewall.

Netsurit (Pty) Ltd is a Microsoft Gold Certified Partner with a competency in Microsoft Security Solutions.

Rian van der Walt
